## *Holiness to the Lord*

**The Mentor Program is a method of Teaching, Instructing, and Education.**

### **Purpose:**

*To educate and incite interest in the Royal Arch Chapter and in York Rite Masonry in general. A man who is educated and knowledgeable is going to attend regularly and be an active participant in Chapter meetings and degree work.*

### **Getting Started:**

*Each Constituent Chapter should develop or appoint a Mentor Committee. The Committee can set up a Mentor Program in your Chapter. The Committee should consist of experienced and knowledgeable men in your Chapter. The Committee would be responsible for training and teaching new Companions. Also training and teaching new Officers the duties of their station.*

## *New Companions:*

*When a new Companion is exalted to the august degree of a Royal Arch Masons, you can rest assured he is totally excited and confused about the degree work he has just completed. We have all been there. He has a multitude of questions. He needs a mentor who will take him under his wing and personally teach him the things he is worried about. A mentor would show him the proper way to address the Excellent High Priest. He would explain to him the various signs he has learned and show him the proper way to give the signs. He would attend the chapter meetings with him and sit with him to assist him with the signs during the opening and closing ceremonies. A mentor would give him a call and encourage him to come to Chapter meetings on meeting night, and even go get him and bring him to the Chapter meetings, if needed.*
