## **ME Companion Gary Hunt Grand High Priest Message**

Dear Companions,

To start this new year in Capitular Masonry, please let us thank God for all He has blessed us with, and most importantly for letting us live in a place where we can belong to this wonderful fraternity.

I would like to take the time to thank all of the many Companions throughout the state. All of them have devoted their time to work and serve the Grand Chapter and all its members for the next year. Everyone is known by their comrades as very hard and dedicated workers.

This year we continue to follow the program started by Past Grand High Priest Don Powell, Tracks We Leave. This program has only done us well, so I really hope that more Chapters will make every effort to complete the requirements for the Plaque.

The requirements are difficult because they require many members of the Chapter to get involved. So please remember, the best way to keep our members is to make every meeting interesting and worth their time.

All of the Area Meetings will be listed the coming editions of the Keystone. So this means every High Priest, King and Scribe should attend their Area Meeting.

I ask every Dais Officer of each Chapter to attend and try to bring along as many Companions with them as possible. May we all remember during this next year that we all need to work together to make sure we have Capitular Masonry to enjoy in the future. This means everyone needs to stay devoted, turn off your TV, and attending and taking part of all the meetings of our Chapters.

Thank you for offering me the chance to serve this year, and I can only hope that I see many of you at the various events and meetings during this next year.

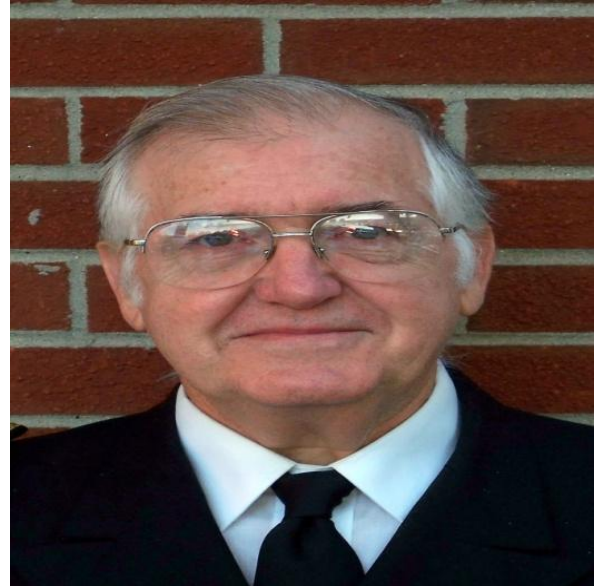

Fraternally,  
Gary K. Hunt  
M.E. Grand High Priest
