**ME Companion James H. King, Jr.  
Grand High Priest Message**

Companions,

We are under way with the work as Grand Officers, the area meetings are going well and I have had much good feedback from the Companions that I have met with thus far. There are many energetic Companions ready and willing to move forward with Royal Arch Masonry and be the example for those new candidates we hope to have from our lodge presentations. Companions I urge you to open your Chapter in full from each time you meet and allow your new companions to be part of the activities within the chapter. Unless we begin to share these responsibilities we can never teach companions to replace us as the years go by. I am asking each Chapter to confer as many of the Capitular Degree's as possible

at home using your own members even if the parts must be read, we must teach our companions to confer the work to insure that we do not lose the ability to do so.

Companions there are many young men in our Symbolic Lodges who are not aware of the secrets of Royal Arch Masonry, take the message to them and lead into this wonderful experience. We can have a positive gain in membership if we are willing to put forth an effort and ask a brother to join.

As we enter in to the month of Thanksgiving let us each be mindful and let us give thanks for all that has been given us by the Grand High Priest of heaven and truly appreciate the blessings he has bestowed upon us.

Fraternally,

*James H. King, Jr.*

M.E. Grand High Priest
